Extension & Outreach Activity

Name of Activity	Tree Plantation	
Date of Activity	01/08/2019	

Brief Report About Activity

Tree plantation is an essential activity aimed at enhancing the green cover on Earth and addressing environmental issues such as deforestation, climate change, and biodiversity loss. Trees play a critical role in maintaining ecological balance, and planting them is a crucial step toward sustaining life on Earth.

Importance of Tree Plantation

- > Environmental Benefits
- Biodiversity
- > Economic and Social Benefits
- Combatting Climate Change

Tree plantation is an effective and sustainable solution to several pressing global environmental issues. It contributes to cleaner air, combats climate change, supports biodiversity, and improves the quality of life. For long-term success, tree planting campaigns must be accompanied by proper maintenance and care strategies, as well as public awareness efforts. Protecting and planting trees is crucial for ensuring a greener, healthier planet for future generations.

Extension & Outreach Activity

Name of the Activity	Social Service_Distribution Bottle & Pen to Children	
Date of Activity	11-09-2019	

Brief Report About Activity

The primary objective of this event was to provide essential school supplies such as water bottles and pens to underprivileged children. The event aimed to support their educational journey by ensuring they have the necessary tools for a productive learning experience. The distribution event was held at Govindpura and involved children from nearby schools and communities. A total of 100+ children participated, all of whom were given new water bottles and pens. These items were donated by our college as part of their community outreach and educational support program.

Impact & Conclusion

The event had a significant positive impact on the children, many of whom come from economically disadvantaged backgrounds. Receiving new school supplies helped boost their motivation and enthusiasm for learning. The distribution also created awareness about the importance of staying hydrated, especially during school hours, to maintain focus and energy.

The distribution of bottles and pens was a successful event that reached its goal of supporting children's education. It was heart-warming to see the smiles on the children's faces as they received their supplies. This event not only provided material support but also helped in boosting the morale of the students, encouraging them to value their education. The organizers and volunteers are committed to continuing such initiatives to uplift the community and make a positive impact on children's lives.

Extension & Outreach Activity

Name of the Activity	Cleanliness Programme on Gandhi Jayanti	
Date of Activity	02 October 2019	

Brief Report About Activity

One of the main activities of the programme was a clean-up drive on 02 October 2019, where participants were divided into groups and assigned different areas within the community and college such as parks, streets, and buildings. Each group was provided with cleaning materials such as gloves, brooms, trash bags, and face masks. During the drive, participants:

- Collected litter and segregated waste into recyclables and non-recyclables.
- Cleaned up public spaces like parks, playgrounds, and streets.
- Identified areas with excessive waste and reported them for further cleaning and maintenance.

Awareness and Education Campaign:

In addition to the clean-up activities, the event included educational sessions on the following topics:

Waste Segregation:

Volunteers and environmental experts demonstrated how to separate waste into biodegradable, recyclable, and non-recyclable categories, emphasizing

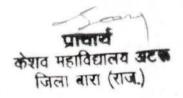

the importance of proper waste management in reducing environmental pollution.

Plastic Reduction:

The harmful effects of plastic on the environment and marine life were discussed, encouraging participants to reduce single-use plastic and opt for sustainable alternatives.

Personal Hygiene:

Health professionals provided tips on maintaining personal hygiene to prevent the spread of diseases, particularly in public places.

Extension & Outreach Activity

Name of the Activity	Aids Day	
Date of Activity	01-12-2019	

Brief Report About Activity

The primary objective of this event was to raise awareness about the HIV/AIDS epidemic, educate people about prevention, and encourage a community-based approach to addressing the inequalities that affect access to treatment, care, and support for those living with HIV. The event aimed to commemorate those who have lost their lives to AIDS-related illnesses and support ongoing efforts to eliminate the disease.

The World AIDS Day event held on December 1, 2019, brought together health professionals, community members, activists, and people living with HIV to discuss key issues surrounding the global HIV/AIDS epidemic. The theme of this year's event, "Equalize," emphasized the need to address disparities in access to healthcare, education, and support for those most affected by HIV. The event saw the participation of around 60+ attendees, including representatives from local healthcare organizations, NGOs, and government health officials.

Recommendations for Future Events:

- Expand outreach efforts to rural and underserved areas.
- Collaborate with more schools and youth organizations to promote HIV education.
- Enhance partnerships with local healthcare providers for free or subsidized testing and treatment services.

Extension & Outreach Activity

Name of the Activity	Plastic Mukt Raily	
Date of Activity	13-02-2020	

Brief Report About Activity

The rally was flagged off by the Dr. Seema, a well-known environmentalist. In their inaugural address, they emphasized the need to take immediate action to reduce plastic use and highlighted the devastating impact plastic waste has on wildlife, oceans, and human health.

Participants and Route

The rally witnessed enthusiastic participation from around 50+ students from our colleges, environmental NGOs, and local residents. The participants walked through the main streets of atru, Distt-Kota, carrying banners with slogans such as:

- "Say No to Plastic, Yes to a Greener Future"
- "Be the Change: Go Plastic-Free"
- "Plastic is Poison, Avoid It"

The route covered significant areas where the public could easily see and hear the message, amplifying the rally's reach and impact.

Awareness Campaign

Along the way, volunteers distributed leaflets and brochures educating people about the harmful effects of plastic, ways to reduce plastic use in daily life, and alternatives such as cloth bags, reusable containers, and biodegradable materials. Small stalls were set up at key points to demonstrate how to make eco-friendly products at home, such as paper bags and reusable shopping bags.
