Brief Report

The International Day of Yoga, celebrated annually on **June 21**, is a global event dedicated to promoting the practice of yoga for physical, mental, and spiritual well-being. The day was officially recognized by the United Nations in 2014, following a proposal by India's Prime Minister Narendra Modi during his address to the UN General Assembly. Since its inception, the day has garnered worldwide attention, with millions participating in yoga sessions, workshops, and related activities.

Significance of Yoga

Yoga is an ancient Indian practice that integrates physical postures (asanas), breathing exercises (pranayama), and meditation. It offers numerous benefits, including:

- Physical Health: Yoga improves flexibility, strength, posture, and balance. It also helps in managing conditions like hypertension, diabetes, and heart disease.
- Mental Well-being: Yoga reduces stress, anxiety, and depression through mindfulness and meditation practices.
- Spiritual Growth: Yoga connects the individual with their inner self, fostering a sense of peace and fulfillment.

The International Day of Yoga is a celebration of the holistic benefits of yoga for individuals and communities. By uniting people worldwide, it promotes peace, unity, and well-being, fostering global harmony through the practice of this ancient tradition. As yoga continues to grow in popularity, its potential to improve mental and physical health is being increasingly recognized, making Yoga Day a significant event in global health and wellness initiatives.

Introduction

A one-day seminar on Information & Communication Technology (ICT) in Education was held on 18/08/2021, at Seminar Hall Keshav Mahavidayala. The seminar aimed to bring together educators, students, and policymakers to discuss the evolving role of ICT in education, its benefits, challenges, and future potential. 60+participants, including teachers, administrators, students, and experts from the tech and education sectors, attended the event.

Objectives

The main objectives of the seminar were:

- 1. To explore the integration of ICT in teaching and learning processes.
- 2. To highlight the benefits and challenges of using ICT in classrooms.
- 3. To discuss future trends in educational technology and digital learning platforms.
- 4. To provide educators with practical tools and strategies for implementing ICT in education.

Keynote Address

The seminar began with an opening address by Dr Jyoti Arya, a renowned educator and expert in educational technology. She emphasized the transformative power of ICT in education, highlighting how digital tools are reshaping traditional classroom settings. Her speech focused on:

- The importance of digital literacy for both educators and students.
- How ICT can bridge gaps in access to education, particularly in remote and underprivileged areas.
- The role of online learning platforms in providing flexible learning opportunities.

External Agencies/Collaboration /Speaker	Dr Naresh Nayak, Assistant Professor in Govt College of Kota
Organizer	Department of Education, Keshav Mahavidayalya
Venue	Seminar Hall

Introduction

The Department of Department of Education, Keshav Mahavidayalya hosted an expert lecture on **The Importance of Botany in Education** on 12-10-2022. The guest speaker, Dr Naresh Nayak, Assistant Professor in Govt College of Kota, is a renowned botanist with over two decades of experience in plant science research and education. The event aimed to highlight the significance of botany in the broader context of education, its contributions to science and society, and its role in addressing global challenges such as climate change, food security, and environmental conservation.

Objectives of the Lecture

The main objectives of the expert lecture were to:

- 1. Raise awareness about the crucial role of botany in education and its relevance to various scientific fields.
- 2. Discuss the applications of botany in addressing contemporary environmental and agricultural issues.
- 3. Encourage students to explore botany as a career and academic discipline.
- 4. Highlight the interdisciplinary nature of botany and its connections to other fields such as medicine, ecology, and biotechnology.

The expert lecture by Dr. Nayak on the Importance of Botany in Education successfully shed light on the vital role that plant sciences play in the modern world. It highlighted the interdisciplinary nature of botany, its applications in addressing global challenges, and the vast career opportunities it offers. The event inspired students and faculty alike to recognize the importance of incorporating botany into both scientific education and research.

Name of the Activity	Yoga Day Celebration	
Date of Activity	21 June 2023	
No of Student Enrolled	28	

The International Day of Yoga, celebrated annually on **June 21**, is a global event dedicated to promoting the practice of yoga for physical, mental, and spiritual well-being. The day was officially recognized by the United Nations in 2014, following a proposal by India's Prime Minister Narendra Modi during his address to the UN General Assembly. Since its inception, the day has garnered worldwide attention, with millions participating in yoga sessions, workshops, and related activities.

Benefit of Yoga

- Physical Health: Yoga improves flexibility, strength, posture, and balance. It
 also helps in managing conditions like hypertension, diabetes, and heart
 disease.
- Mental Well-being: Yoga reduces stress, anxiety, and depression through mindfulness and meditation practices.
- Spiritual Growth: Yoga connects the individual with their inner self, fostering a sense of peace and fulfilment.
- Social benefits: Yoga can connect you with a supportive community.
- Other benefits: Yoga can help you improve your self-confidence, coordination, and digestion. It can also help you become more mindful and eat more mindfully

The International Day of Yoga is a celebration of the holistic benefits of yoga for individuals and communities. By uniting people worldwide, it promotes peace, unity, and well-being, fostering global harmony through the practice of this ancient tradition. As yoga continues to grow in popularity, its potential to improve mental and physical health is being increasingly recognized, making Yoga Day a significant event in global health and wellness initiatives.

Name of the Activity	Cleanliness of Campus on occasion of Gandhi Jayanti
Date of Activity	02/10/2023
No of Student Enrolled	50+

Introduction:

In honor of Gandhi Jayanti, celebrated on October 2 to mark the birth anniversary of Mahatma Gandhi, Elmwood University organized a Cleanliness Drive across the campus. Mahatma Gandhi, a strong advocate for cleanliness, believed that "cleanliness is next to godliness" and promoted the concept of Swachh Bharat (Clean India). This drive was held as part of a nationwide effort to honor his ideals and raise awareness about the importance of cleanliness and hygiene.

The event brought together over 50+ participants, including students, faculty members, and administrative staff, who actively contributed to making the campus a cleaner and greener space.

Objective:

The primary objectives of the cleanliness drive were:

- 1. To promote awareness about the importance of cleanliness in daily life.
- 2. To encourage students and staff to take responsibility for maintaining a clean and healthy environment.
- 3. To honor the legacy of Mahatma Gandhi by participating in activities that align with his vision for a clean and self-reliant India.
- 4. To instill a sense of community service and environmental stewardship among students.

Conclusion

The Campus Cleanliness Drive on the Occasion of Gandhi Jayanti was a resounding success. It not only cleaned the university campus but also fostered a strong sense of community, responsibility, and environmental awareness among participants. The event honored the legacy of Mahatma Gandhi by encouraging collective action and reinforcing the importance of cleanliness in daily life. केशव महाविद्यालय अट

Name of the Activity	One day expert lecture on Biological Control of Water Hyacinth
Date of Activity	14-10-2023
No of Student Enrolled	48
External Agencies/Collaboration/ Speaker	Dr Sanjay Kumar Govt College, Baran
Organizer	Department of Science, Keshav Mahavidayalya
Venue	Seminar Hall
Time 02:30 PM to 04:30 PM	

On October 14, 2023, the Department of Science, Keshav Mahavidayalya hosted a one-day expert lecture on Biological Control of Water Hyacinth. The lecture was delivered by Dr. Sanjay Kumar, a well-known ecologist and researcher specializing in invasive aquatic plant management. The primary focus of the lecture was to explore the invasive nature of Water Hyacinth (Eichhornia crassipes), its detrimental impacts on aquatic ecosystems, and the biological control methods used to manage its spread.

Water hyacinth, often referred to as the world's worst aquatic weed, poses a serious threat to freshwater ecosystems worldwide. The lecture aimed to raise awareness and provide practical insights into the sustainable control of this invasive species.

Objectives of the Lecture

The key objectives of the expert lecture were:

- 1. To provide an in-depth understanding of the invasive nature of water hyacinth and its ecological impacts.
- 2. To highlight the importance of biological control methods as a sustainable alternative to chemical and mechanical control.
- 3. To discuss successful case studies of biological control of water hyacinth.
- 4. To inspire students and researchers to explore biological control methods as part of their academic and research interests.

Name of the Activity	One day expert lecture on Soft Skill for Professional Development
Date of Activity	15-12-2023
No of Student Enrolled	200
External Agencies/Collaboration/ Speaker	Dr Kajal Sitlani Assistant Professor in IIHMR University, Jaipur
Organizer	Department of Education, Keshav Mahavidayalya
Venue	Seminar Hall
Time	02:30 PM to 04:30 PM

On December 15, 2023, the Department of Education, Keshav Mahavidayalya organized an insightful one-day expert lecture on **Soft Skills for Professional Development**. The session was led by Dr Kajal Sitlani, Assistant Professor in IIHMR University-Jaipur, a specializing in soft skills and personality development. The aim of the lecture was to highlight the importance of soft skills in shaping a successful professional career and provide students with the tools to enhance their employability and workplace performance.

Soft skills, often referred to as interpersonal or people skills, are essential for thriving in professional environments. Unlike technical skills, soft skills relate to how individuals interact, communicate, and work with others, making them critical for career success.

Objectives of the Lecture

The key objectives of the expert lecture were to:

- Understand the role of soft skills in personal and professional development.
- 2. Explore key soft skills that are in demand in today's job market.

Name of the Activity	One day expert lecture on Unlocking Opportunities the Importance of English Today					
Date of Activity	December 17, 2023 80					
No of Student Enrolled						
External Agencies/Collaboration/Spe aker	Dr Rupali Saini, Assistant Professor Govt Girls College Shri Ganganagar					
Organizer	Department of Education, Keshav Mahavidayalya					
Venue	Seminar Hall					
Time	02:30 PM to 04:30 PM					

Objectives of the Lecture

The primary objectives of the expert lecture were:

- > To emphasize the significance of the English language in today's global context.
- To explore how English proficiency opens doors to career, academic, and social opportunities.
- To encourage students to improve their English language skills for better employability and personal growth.
- > To discuss strategies and resources for effectively learning and mastering English.

The One-Day Expert Lecture on Unlocking Opportunities: The Importance of English Today was a highly informative and motivating event. Dr Rupali Saini highlighted the critical role of English in today's globalized world and provided participants with actionable strategies to improve their language skills. The lecture reinforced the idea that mastering English is not only essential for career advancement but also for personal growth and cross-cultural understanding. This lecture was a valuable step toward empowering students to recognize the vast opportunities that English proficiency can unlock and motivated them to take charge of their language-learning journey.

Name of the Activity	Seminar on Dark Matter and Dark Energy
Date of Activity	27 June 2024
No of Student Participated	60+ Students & Faculty/Staff
Speaker	Shri Ajay Kumar Meena, Assistant Professor Depatment of Physics, GGC, Baran
Organizer	Department of Science, Keshav Mahavidayalya, Atru
Venue	Seminar Hall
Time	01:00 PM onwards

On 27 June, 2024, the Department of Science, Keshav Mahavidayalya, Atru organized an insightful expert lecture titled "Dark Matter and Dark Energy: The Mysteries of the Universe". The seminar featured Shri Ajay Kumar Meena, Assistant Professor, Department of Physics, Government Girls College-Baran. The event aimed to provide an in-depth understanding of two of the most perplexing and unexplained phenomena in the universe: Dark Matter and Dark Energy. The seminar attracted a wide range of participants, including students, researchers, and space science enthusiasts. With 60+ attendees, the event successfully bridged the gap between complex astrophysical theories and accessible knowledge for a general audience.

Objectives of the Seminar

The seminar aimed to:

- Introduce participants to the concepts of dark matter and dark energy.
- Explore the role of these phenomena in the structure and expansion of the universe.
- Discuss the latest research findings and ongoing experiments that seek to unravel the mysteries of dark matter and dark energy.
- Encourage participants to pursue further studies and research in the field of cosmology and astrophysics.
