KESHAV MAHAVIDYALAYA

Name of the Activity	One day Seminar on Information & Comm. Technology in Education
Date of Activity	18/08/2021
No of Student Enrolled	61
External Agencies/Collaboration/Speaker	Dr Jyoti Arya, Assistant professor in University of Kota

Introduction

A one-day seminar on **Information & Communication Technology (ICT) in Education** was held on 18/08/2021, at Seminar Hall Keshav Mahavidyalaya. The seminar aimed to bring together educators, students, and policymakers to discuss the evolving role of ICT in education, its benefits, challenges, and future potential. 60+ participants, including teachers, administrators, students, and experts from the tech and education sectors, attended the event.

Objectives

The main objectives of the seminar were:

1. To explore the integration of ICT in teaching and learning processes.
2. To highlight the benefits and challenges of using ICT in classrooms.
3. To discuss future trends in educational technology and digital learning platforms.
4. To provide educators with practical tools and strategies for implementing ICT in education.

Keynote Address

The seminar began with an opening address by Dr Jyoti Arya, a renowned educator and expert in educational technology. She emphasized the transformative power of ICT in education, highlighting how digital tools are reshaping traditional classroom settings. Her speech focused on:

- The importance of digital literacy for both educators and students.
- How ICT can bridge gaps in access to education, particularly in remote and underprivileged areas.
- The role of online learning platforms in providing flexible learning opportunities.

Important Notice

All Students studying in the college are informed that ‘**Seminar**’ related to Education Department title “**Information & Communication Technology in Education**” is being organized in the college on 18th August 2021. All the students of the college should participate in maximum numbers.

Place- Seminar Hall

Time – 12:30 P.M

KESHAV MAHAVIDYALAYA

Name of the Activity	Cyber Security Programme by BRKV Branch, Atru
Date of Activity	06 Feb, 2024
No of Student Enrolled	90
Organizer	Department of Education, Keshav Mahavidyalaya in collaboration of Baroda Rajasthan Kshetriya Gramin Bank
Venue	Seminar Hall
Time	12:00 PM onwards

The Department of Education, Keshav Mahavidyalaya in collaboration of Baroda Rajasthan Kshetriya Gramin Bank organized a Cyber Security Awareness Programme on 06 Feb, 2024. The programme aimed to educate participants about the importance of cyber security in today's digital age, address key challenges, and provide practical insights to safeguard digital identities and information. The event was attended by 90+ students, and IT professional.

Objectives of the Programme

The main objectives of the cyber security programme were:

- To raise awareness about cyber threats, including phishing, malware, and data breaches.
- To educate participants on best practices for safeguarding personal and organizational data.
- To provide practical tools and resources for enhancing cyber security protocols.
- To discuss the latest trends in cyber security and future challenges.

KESHAV MAHAVIDYALAYA

Name of the Activity	Expert Lecture on The Title "Real Life Application of Probability "
Date of Activity	23-06-2024
No of Student Participated	80+ Students & Faculty/Staff
Speaker	Dr. Ajay Gupta, Asst Professor GIET College, Kota
Organizer	Department of Science, Keshav Mahavidayalya, Atru
Venue	Seminar Hall
Time	01:00 PM onwards

On 23 June, 2024, the Department of Science, Keshav Mahavidayalya, Atru organized an insightful expert lecture titled **"Real-Life Application of Probability"**. The lecture was delivered by Dr. Ajay Gupta, Assistant Professor an esteemed expert and from GIET College of Kota. The event aimed to introduce participants to the practical aspects of probability theory and its application in everyday life, industries, and scientific research.

The lecture was attended by more than 80 participants, including students, faculty members, and professionals from various disciplines.

Objectives of the Lecture

The primary objectives of the lecture were:

- To explore the concept of probability and its relevance in real-world scenarios.
- To demonstrate how probability is used in fields such as business, healthcare, finance, and artificial intelligence.
- To enhance the participants' understanding of probabilistic models and their practical applications in decision-making and problem-solving.
